Training & Offer Letter

Dear Vaidya,

Congratulations!

We are delighted to inform you that you have successfully cleared our selection process. We are pleased to extend an offer for a structured training program, followed by full-time employment with Nagarro.

You will begin your journey with us as a **Trainee** and, upon successful completion of the training, will be promoted to **Associate Engineer**.

At Nagarro, training is a vital part of every fresher's onboarding journey. It enables you to work with the latest technologies and contribute to live, real-world projects rather than just practice assignments. We believe this hands-on experience is the best way to accelerate your learning and professional growth.

Your training is scheduled to commence on **16 March 2026**, aligning with your final semester. During the training period (till November 2026), you will receive a **monthly stipend of INR 25,000**

Exceptional performers, rated as outstanding during training, will be promoted to Associate Engineer after six months, with a compensation package of **INR 6 LPA**. Others will be promoted to the same role by **November 2026**, based on performance.

Please note that your payroll movement as an Associate Engineer will be contingent upon the successful completion of your degree as well as your performance during the training period. In case either of these criteria is not fulfilled, the payroll movement may be deferred.

For any queries regarding your offer, feel free to reach out to us at campushiring@nagarro.com.

We look forward to welcoming you to Nagarro and are excited about the journey ahead.

To help complete joining formalities, may we request you carry the following documents with you on the joining date.

- One Passport size photograph
- Proof of age
- Proof of Education Qualifications

We welcome you to a passionate and fun-filled pursuit of excellence at Nagarro!

Swati Yadav
Director, People Enablement

*** This offer will remain valid only if you attend and complete the training period with Nagarro. Failure to do so will result in the withdrawal of the offer
